

2023 DOWNTOWN FLOWER BASKETS

CarsonCityGreenhouse.org

The Petunia Basket program has grown in popularity and community support to almost 80 baskets in 2022. This will be our maximum number for 2023!! Don't miss out, mail your check and form today! THANK YOU TO OUR LOYAL SPONSORS!!!

- With these amazing numbers the project is no longer a fundraiser for The Greenhouse Project, a Carson City non-profit; it is our service project "giving" back to our community and supported by our sponsorships. The sponsorship amount will purchase lamp post brackets, seed & soil, baskets & signs, and keep the baskets watered and healthy all summer.
- This year we offer optional "over and above donations" to support The Greenhouse Project's primary project: to grow & donate healthy vegetables for Carson City's food insecure, any amount is accepted with immense gratitude.
- While we have discontinued our "mounted at your business baskets", we do have lamp posts available in the downtown and new Curry St. corridor. Super marketing opportunity for you!! Prior business bracket baskets will remain "grandfathered in" upon renewal this year. Thanks for understanding.

PLEASE MAIL FORM TO: PO BOX 2024, CARSON CITY, NV 89702

Baskets will be "first come, first served" until sold out.

If baskets are still available, the DEADLINE DATE FOR ORDERING IS FEBRUARY 1, 2023

CALL KAREN ABOWD WITH QUESTIONS @ 775-232-8626
